

Gclear™ Headlight Coating

Tested and proven to last for years!

Gclear™
Coating Test Sample

VS

CLEAR AFTER **3 YEARS***

Top Brand #1
Coating Test Sample

Top Brand #2
Coating Test Sample

YELLOW AFTER **3 YEARS***

The results are in! Independent lab testing proves Gclear Headlight Coating outperforms the top leading brands utilizing a UV inhibitor. Each polycarbonate test sample was subjected to accelerated weather testing to determine which UV coating performed the best—and Gclear came out the winner!

*Testing completed in a weatherometer to simulate UV aging.
